

#EndHoustonsOpioidEpidemic

Dear Community Partner,

Please join the largest group of psychiatric hospitals in the Houston and surrounding area for the opportunity to participate in sponsoring **Houston's Fourth Annual Mental Health Symposium**. This year, we bring thought leaders from the behavioral health and chemical dependency arena together for a one-day dynamic continuing education presentation. This event will take place at **The Council on Recovery, 303 Jackson Hill Street, Houston, Texas 77007**. Opioid Epidemic begins with awareness. Please join us in our effort.

Each year a charity receives the proceeds from this event. This year the proceeds will go to the Star of Hope Mission. Please see below for the sponsorship levels. We look forward to working with you.

Sincerely,

Mandy Westerman, LCSW, Group CEO
